Frontier/Energy Basin Associations, Mark Porter, Area Missionary:

- To Christians to move from apathy to "on fire" for Kingdom work

Green River/Overthrust Associations, Howard Daniel, Area Missionary:

Please also remember these associations in your prayers

Although Alberta, Canada is not in Wyoming or Colorado, we have been in contact with Peter Blackaby, Partnerships & Volunteers Ministry Leader Canadian National Baptist Convention and he also covets our prayers for Alberta:

- School will let out at the end of this month. Pray for our churches and church plants as they seek to maximize the month of July for ministry to families through block parties, sports camps, and kids clubs/ VBS's.
- Pray for Big Rock Baptist Church in Okotoks and our seed in Ft McMurray as they do service/outreach projects on Canada Day (July 1).

- Please pray for our national convention June 30-July 2 that is being held in Edmonton, AB. Pray for local churches to be encouraged and communities to be impacted through a few service projects that are scheduled in the city that week.
- Pray for the team of Youth Leaders who are coming from Colorado Convention to specifically help with our youth track at Convention, do a vision tour, and connect with local youth leaders. Pray that the youth attending will be challenged, encouraged, and called out. Pray for the meetings that this team will have with local youth leaders in Calgary & Edmonton - that the youth leaders would leave feeling encouraged and connected. Pray for the team themselves that they would feel God working powerfully in and through them.
